

New Patient Information

Welcome to Shipp Eye Clinic!

We look forward to serving you. Our goal is to fulfill the needs and priorities of your eye condition by using state-of-the-art diagnostic and surgical procedures. We know how important vision is to you and our goal is to give you the best visual results possible.

We have provided this information packet to help make your visit with us as pleasant as possible. In order to keep your wait time to a minimum, please complete the enclosed forms and bring them with you for your appointment.

Important things to remember:

- Bring all enclosed forms and your insurance cards
- Bring a current list of your medications
- Bring your most current eyeglasses
- Your eyes may be dilated. Therefore, have someone with you to drive you home.
- Your examination may take 2-3 hours depending on the tests and procedures being performed for your condition.
- Patients for cataract evaluation who wear contact lenses should stop wearing them 7 days prior to the appointment time.

Should you have any questions, please don't hesitate to call us at (662) 286-6068.

We look forward to seeing you!
